## Our Synagogue Community

# Your Home in the Heart of Jerusalem

Our beautiful and historic synagogue is open to all. We offer traditional, egalitarian prayer and opportunities to connect to God, our tradition, and one another. Located in the heart of Jerusalem, we bring together Israeli and diaspora Jews and people of various Jewish backgrounds to pray, sing, and learn together. Our synagogue is a place of encounter between a local spiritual community, our Yeshiva students, and visitors from all over the world. We look forward to having you with us and finding meaning and expansiveness in our shared Jewish life.

## Inclusive & Egalitarian

We pride ourselves on being an open and inclusive community that provides a spiritual home for people of various backgrounds and levels of observance.

## Music Culture

Music is an important part of our spiritual expression and collective experience. We draw on different musical traditions and the approaches of diaspora as well as Israeli communities.

## Community Services

- Weekly at 9:00am on Shabbat morning
- Monthly Kabbalat Shabbat with potluck dinners & Shabbat afternoon classes

## Rav Shuki

Rav Shuki Zehavi is a passionate leader and educator. After studying Philosophy and Human Rights at Columbia University and Law at Hebrew University, he went on to graduate from the pluralist rabbinical school at Hebrew College and serve at Conservative pulpits in Massachusetts and New York. He also taught and developed curricula for creative community education programs. Rav Shuki leads our synagogue community and teaches prayer at our Yeshiva.
